c. Bylaws & Policy Committee

The Bylaws & Policy Committee reviewed proposed changes to both Board Policy 108 – Refund Policy and Board Policy 314 – Military/Veterans Policy.

The need to update Policy 108 was identified and presented to the Bylaws & Policy Committee. The College does not grant refunds for tuition and course fees to students who withdraw or reduce credit hours after the add/drop period of each semester. The college may be required to adjust a student’s financial aid based on the student’s last date of academic-related activity. Refer to Return of Title IV fund policy 313 regarding Federal Aid adjustments. If the college cancels a course, 100 percent of the tuition and fees will be reversed.

It was moved by Trustee Rasmussen and supported by Trustee Shirilla that the revision(s) to Board policy 108 Refund Policy be accepted as written. This policy change is effective 2/17/2022.

The need to update Policy 314 follows the Federal Requirement of Chapter 35, as the U. S. Department of Veteran Affairs has recently included Chapter 35 (benefits for dependents and survivors) to receive the same assistance at educational institutions that Chapter 30 and 31 receives.

This includes in-state tuition for those who live in the state of Michigan while attending North Central Michigan College (regardless of his/her formal state of residence).

It was moved by Trustee Rasmussen and supported by Trustee Fought that the revision(s) to Board Policy 314 Military/Veterans be accepted as written. This policy change is effective 2/17/2022.
