Graduation Requirements

1. Graduation from North Central Michigan College is recognized with an Associate of Arts, Science, General Studies or Applied Science Degree, Certificate or Certificate of Development. Degrees, Certificates and Certificates of Development, once conferred, are not rescindable.
2. Students who expect to qualify for their degree/certificate by the close of any given enrollment period and wish to have their degrees conferred must complete the Application for Graduation Form available in Student Services or on-line at www.ncmich.edu below the Records and Registrar heading. Submit the application to the Records Office by the due date.
3. A request for a degree may not be approved unless the applicant begins his/her final semester with a 2.0 cumulative grade point average and may reasonably be expected to have completed all necessary coursework satisfactorily by the date the degree is to be awarded. To graduate with a degree, a student must complete the total number of credit hours required for the degree being sought, even if courses have been waived or competency has been demonstrated through ACT, SAT, COMPASS or ACCUPLACER scores and have an overall cumulative 2.0 GPA.
4. Students must have fulfilled all financial obligations to the College including the graduation fee before being awarded a degree or certificate.
5. Students who have achieved a total cumulative grade point average as indicated below by the beginning of their final semester may graduate with honors. Graduation honors apply to programs requiring at least 30 credit hours. Honors status may be changed based on the final cumulative GPA and will be posted on the student's diploma accordingly.
Distinction = 3.50 – 3.69, High Distinction = 3.70 – 3.89, Highest Distinction = 3.90 – 4.0
6. After submitting an Application for Graduation, details will be emailed to your North Central 'mymail' account regarding Commencement.

Students needing a diploma reprinted for reasons other than printer errors will be charged a \$35 processing fee.
